

2025 Chronic Disease Forum
The Natural State of Health: Shaping Policy to Address
Chronic Disease
May 7, 2025 – Wyndham Riverfront Little Rock

Supporter Opportunities for the 2025 Chronic Disease Forum!

The Arkansas Chronic Disease Coordinating Council is committed to reducing the burden of chronic diseases and promoting health equity across Arkansas. This year's forum will focus on addressing the intersection of health policy and chronic disease, with an emphasis on cardiovascular health, oral health, stroke prevention, Alzheimer's, and tobacco control policy.

Supporting the 2025 Chronic Disease Forum is an excellent opportunity to connect with public health professionals, health care providers, policymakers, and advocates passionate about improving health outcomes in Arkansas.
